

Management Policy

Through our business activities, we will contribute to the realization of a sustainable society while enriching people's spirits.

Action Guidelines

We will respect each person's individuality and human rights, and pursue the creation of a fair, bright, and rewarding workplace.

We will ensure compliance, and act based on rational judgement.

We will think independently, and take on challenges with a positive attitude.

We will continue to manufacture safe and secure products that are useful to the future of the earth.
